Greater Baldwinsville Chamber of Commerce announces their support for the YMCA Expansion in the Greater Baldwinsville Area

It is important to the Greater Baldwinsville Chamber of Commerce (GBCC) to announce their support of the YMCA expansion effort in the Greater Baldwinsville area. It is the mission of the Greater Baldwinsville Chamber of Commerce (GBCC) to create an economic climate that enhances the growth, prosperity and quality of life for all who live and work in Greater Baldwinsville. Since 1961, the GBCC has worked tirelessly to support this mission, as well as, those organizations in our great community that have helped create it.

It is the position of the GBCC that the YMCA will emerge as one of these leading organizations and will provide resources to our community that will enhance the quality of life for all who live and work in Greater Baldwinsville. We encourage the YMCA to continue their efforts in finding the future location of their new facility in the Greater Baldwinsville Area.

Sincerely,

Anthony Saraceni  
(President, Greater Baldwinsville Chamber of Commerce)
